**INVITATION TO THE 67TH NATIONAL CONVENTION IN BACOLOD CITY, NEGROS
OCCIDENTAL: June 7 - 10, 2023, L'Fisher Hotel, Bacolod City
Theme: "Redirecting Public Health System towards Universal Health Care"**

March 1, 2023

Attention: _____

Dear Mayor:

The Association of Municipal Health Officers of the Philippines, Inc. is the official, organized group of municipal health officers, city health officers, rural health physicians, medical officers, doctors to the barrios and other affiliate health members all over the country. We work with other partners to better public health delivery.

Since the COVID-19 Pandemic hit the country in 2020, most of us were focused on combating the virus, some even contracted the disease, and some of our colleagues succumb to death. Now, the country has slowly won its battle against this dreaded disease. With less restrictions in travels, more activities are now allowed. Thus, AMHOP is now ready to resume its postponed 67th Annual Convention in on June 7 - 10, 2023 at L'Fisher Hotel, Bacolod City.

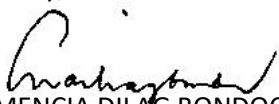

This year's theme, "*Redirecting Public Health System towards Universal Health Care*" heralds the response of public health workers to embrace and capacitate themselves in putting primary health care at the helm in promoting health and saving lives. This will ensure that directions governing response to RA 11223 or the Universal Health Care Act are accessible, effective and efficient for a healthy nation.

The 4-day convention will evolve around topics that will harness on the knowledge and understanding of health care workers as to how the public health system can be navigated in turning the Universal Health Care approach a success while at the same time adjusting back to the new normal after Covid-19. Registration is **SEVEN THOUSAND FIVE HUNDRED PESOS** (Php 7,500.00) with 2 snacks and lunch daily **EXCLUSIVE** of hotel accommodation.

It is with high regards that we embark on your support in allowing your municipal health personnel on **OFFICIAL BUSINESS** to attend this gathering of minds and exchange of ideas and good practices which they will learn and implement in their workplaces.

Thank you in advance.

Sincerely,

CLEMENCIA DILAG BONDOC, M.D.
National President
MHO, Zarraga, Iloilo
